# SOUTHSIDE FRINGE 2022 RECOVERY

Want to get your business out there to the people who live around you?

Want to attract new customers?

This year we are focusing on recovery. The recovery of the Southside businesses we value and also our own recovery.

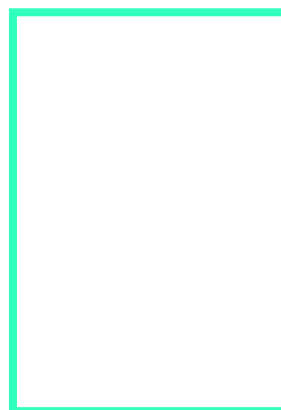

In addition to our annual printed programme we have over **16,000** followers across our social platforms and ever increasing unique traffic on our website, our advertising products have proven to be value for money and competitively priced. And while we're showing you our support with **advertising prices frozen from 2019**, in buying advertising space you would be showing support for a well loved community asset.

We offer full page, half page and quarter page advertising in our programme at competitive prices. Every bit helps in a pandemic and if you are a community group or a business who has registered with us in the past, the adverts are discounted even further.

**PLEASE BOOK YOUR ADVERT  
BY 28th MARCH**
