

Southside Fringe - Live Event Volunteers

Role Description

Volunteering With Southside Fringe

As a festival and community organisation we're committed to capacity building in our volunteers, getting the work done and having a good time while doing it!

What's in it for you?

- Be part of the Fringe Family, a good fun team who work hard and play hard together
- Meet new friends
- Build your personal skills base
- Experience for your CV
- Fringe Benefits

Role Overview

This voluntary role will involve attendance at training sessions and at live events during and beyond the festival period. You'll work as part of a team of event assistants helping us with gigs at our Festival HQ, On The Fringe, stewarding a parade or joining in with our live outdoor events. All necessary training will be given. The role will involve helping to ensure our large number of events run smoothly. We need help with all aspects of events, from taking tickets on the front door, to providing advice and assistance at outdoor events. Varied roles will be required. Get involved in the fun of the flagship events in our programme while getting involved in your local community!

Time Commitment

Time commitment will be dependent on individual events. However, plenty of time will be given so you can enjoy the events as well. We aim to have shifts of no longer than 4 hours.

Desirable Experience

As a volunteer role, training will be given however stewarding experience would be beneficial.

- Previous experience with events organisation
- Experience in working with the public
- A love of local live entertainment and the arts
- Excellent communication skills
- Ability to work as part of a team
- Good time management
- It would also be advantageous if you have a SIA badge and/or First Aid Training
